

So what did we do at the KEMACH Foundation this year?

WE DID A LOT!

2,091

men and women received assistance, guidance and professional counseling at the Ya'ad Institute regarding advanced studies

375

jobs were publicized on our job board. as a result,

3,051

people submitted resumes through us.

11

medical students successfully completed their studies and were licensed as doctors.

1,157

people participated in the Kivun Training and Placement Center's large job fair in Jerusalem

7

 companies joined the BizLabs Scalerator'

50

 companies joined the Bizmax business and innovation center and community.

103

 men were chosen out of

1,243

applicants to start the first cycle of the MeGo high tech training program for Haredim

We began two cycles of the prestigious Ashmoret management program,

in which **50** men and women took part

90

women joined the Movilot Network, an occupational leadership program for Haredi women.

50

men completed the first cycle

and **25** new students began the second cycle of the Avnei Derech program to strengthen Torah identity

1,500

people applied to the Derech Eretz Kishrei Kehilla program for study scholarships and help finding work.

359

students applied to the Or Yosef scholarship program

157

 of them began their studies this year.

4,170

Some students received study scholarships this year,

1,650

 and another completed their studies.

With your help, we will continue to serve as the gateway to higher education and employment for Haredi men and women!
